Green Acres News

New Year's Resolutions for Horses

- * I will NOT roll in streams or try to roll when my human is on my back.
- * I will NOT leap over large nonexistent obstacles when the whim strikes.
- * I will NOT walk faster on the way home than I did on the way out.
- * I promise NOT to swish my tail while my human is cleaning my back feet.
- * I promise also NOT to choose that particular time to answer nature's call.
- * I will NOT bite my farrier's butt just because it is there.
- * I will NOT confuse my human's blond hair for really soft hay.
- * I will NOT wipe green slime down the back of my human's white shirt.
- * I will NOT blow my nose on my human.
- * I CAN walk and potty at the same time. I can, I can, I can.
- * I will NOT stop and potty every time I pass the same spot in the arena.
- * I will NOT leave when my rider falls off.
- * My stall is NOT my litter box. When I have free access to my paddock,
 - I will NOT go back inside to potty.
- * I will NOT try to mooch goodies off every human within a 1 mile radius.
- * I will NOT lay totally flat out in my stall with my eyes glazed over and my legs straight out and pretend I can't hear my human frantically screaming "Are you asleep?"
- * I will NOT chase the ponies into the electric fence to see if it is on

Bread may feed my body, but my horse feeds my soul.

Winter is here! So here comes the rain! If you are in a partially covered stall, you may put down pelleted shaving only. Please do not put down regular shavings as it will turn your stall into a mucky mess, making it difficult to clean and dry out. If you would like to move your horse into a fully covered stall for the winter, we are happy to accommodate you on a first come, first serve basis, and please note the move must be for a minimum of 30 days.
